WHAT HAPPENS AT CONVENTION?

Participating in the annual convention is a great way to learn about abstinence and the program of FAA. It is a time to join in fellowship with other members and newcomers to FAA. Everyone benefits from the Convention, no matter how much abstinent time you may or may not have.

The FAA Convention Committee has created THREE DAYS of workshops, inspiring speakers, entertainment, and fundraising prize drawings.

Convention workshops and keynote speakers will be recorded. Sale of convention CDs, thumb drives and downloads:
